Thank you for choosing to be a member of the Estes Valley Board of REALTORS®. We look forward to assisting you as you advance your career in the real estate industry. The Estes Valley Board of REALTORS® continues to support its members changing needs in a constantly changing business environment. The Board is committed to providing excellent service and supporting the professionalism of its members.

In addition to the general functions of an association, you receive:

MLS Savings – By joining the EVBOR, you will realize a savings of the $130 one-time start fee, and approximately $132 per year, if fees are paid monthly, from what a non-REALTOR® member would pay IRES.

Education – Continuing education classes are offered along with Ethics and ACU update annually.

Tech Helpline – The Tech Helpline is a member benefit offering support for hardware, software, networking and digital devices. The best part is you have the choice of contacting their friendly and knowledgeable analysts via phone, e-mail, and online chat. They troubleshoot problems and offer solutions, often by connecting remotely to your computer and fixing it while you relax. They can advise you on hardware and software purchasing, and most importantly, they understand your needs as a REALTOR®.

Tour – Tour takes place following the membership meetings on the first and third Thursday of the month from October – April and occurs on a weekly basis during the busy summer months of June through August. The summer schedule also features out-of-area tours which showcase listings in the Allenspark, Drake, Glen Haven and Pinewood Springs areas.

Networking – Provides a place to network, gather industry information, a forum to market your property (tours after membership meeting), gives you an opportunity to have a voice in organized real estate. Membership meetings are held twice a month. The Bowling Tournament, Mini-Golf Tournament and Installation Banquet along with other social events take place throughout the year.

Community Involvement – The Estes Valley Board of REALTORS® sponsors annual fundraising events for its members and the general public. The EVBOR also participates in community service projects including Highway Clean-Up, Bright Christmas, Community Café, and other community social advocacy and networking opportunities. We're always open to new ideas!

Information – MLS sold statistics, CMA and Annual sold reports are emailed on a monthly and annual basis.

Political Advocacy – The EVBOR strives to keep members informed on issues affecting real estate business practices including, but not limited to policies and positions of the State and National Associations, city and state ordinances, pending legislation, legal implications and real estate trends.

The Membership Mark – A non-member is never allowed to use the REALTOR® Marks or logo in connection with his or her name.
